What are RingCentral Meetings?

RingCentral Meetings is a video conferencing platform that HDMC and CCC uses to host lectures for online courses.

Accessing RingCentral Meetings on Desktop

To access HDMC's and CCC's **RingCentral Meetings** on your desktop, locate the link that is included in your Moodle account as "Lecture Session" (See Page 6 for accessing Lecture Session)

Lecture Session not loading? Go to meetings.ringcentral.com and manually insert the Meeting ID provided to you on Moodle.

The screenshot displays the Moodle interface for the course 'CA 103 Clinical Assisting III'. At the top, there is a navigation bar with 'Legacy' and 'Help' options. Below the course title, a breadcrumb trail shows 'Dashboard / My courses / CA 103'. The main content area is titled 'General' and includes the email address 'helpdesk@hdmc.edu'. A list of course items is shown, including 'Announcements', 'CA 103 Clinical Assisting III Syllabus', and 'Lecture Session'. The 'Lecture Session' item is circled in orange and contains the text 'Meeting ID: 7873272827'. Below this, the 'Unit 1' section lists various course materials such as 'Read Chapters 30 and 31', 'PowerPoint Chapters 30 and 31', 'Discussion Questions Chapters 30 and 31', 'Chapters 30 and 31 Homework', 'Study Guide: Chapters 30 & 31', 'Computer Work: Chapters 30 & 31', and 'Exam: Chapters 30 & 31'.

Meeting Controls

- a. **Join Audio/Mute:** Dial in or call via device audio then mute or unmute microphone
- b. **Start/Stop Video:** Choose to use a front, back, or no camera
- c. **Participants:** Open the participants list to view more controls
- d. **Share:** Share your screen or content with participants
- e. **Chat:** Chat other participants
- f. **Record:** If you are the host, you can record the meeting on your device or in the cloud. If you are a participant, you may request permission to record the meeting on your local device.

How to “Raise Hand”

Click on the “Participants” button at the bottom of the screen. At the bottom of the list, locate the “Raise Hand” button. This will notify the host that you have a question or comment without interrupting the speaker.

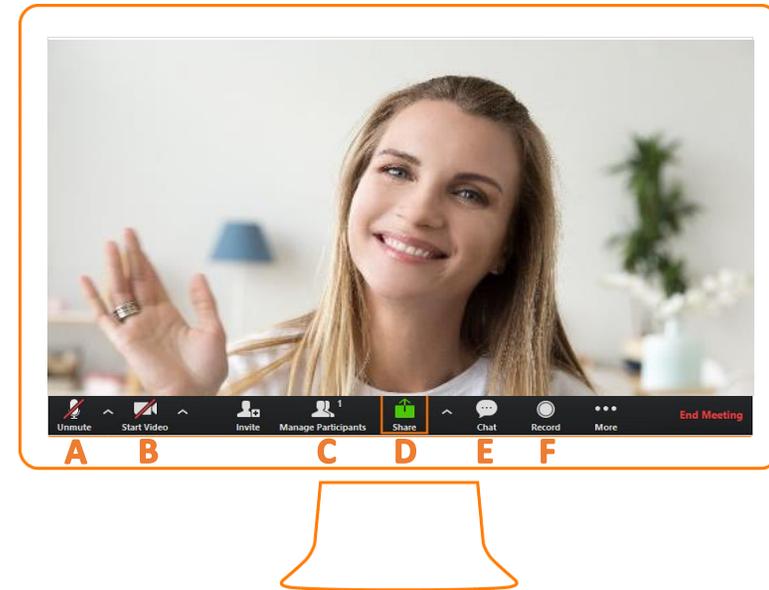

How to Chat Participants

Click the “Chat” button at the bottom of the screen. You will be directed to the chat box where you can message one or all the participants.

How to Share Screen

Watch this youtube video for screen sharing on RingCentral Meetings (2:47) https://youtu.be/BuWig_HM3Rk

NOTE: Controls may vary amongst different devices. Further device controls can be located on <https://support.ringcentral.com/s/meetings>
If you have issues, please contact helpdesk@hdmc.edu

IMPORTANT: Once you have logged in, you must give permission for the app to access your microphone and camera.

What Is Moodle?

Moodle is the learning management platform for Legacy's online classes. You will access and turn in all courses, assignments, tests, and homework through this online platform.

Logging In

Locate HDMC/CCC's Moodle Site by following the URL:

<https://legacycareer.learnpearson.com>

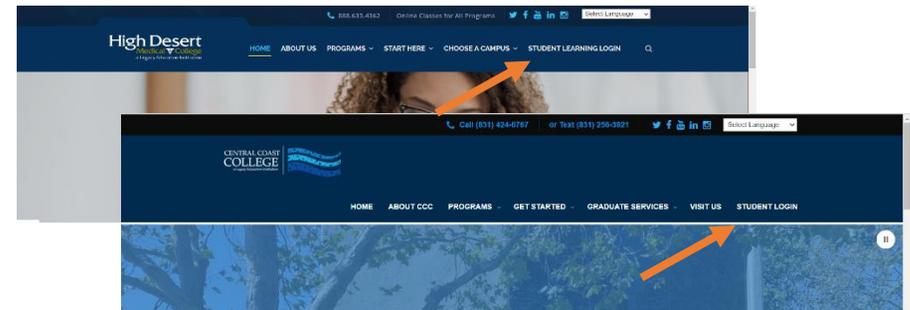

You can also access HDMC's and CCC's Moodle Site by going to: www.hdmc.edu and www.centralcoastcollege.edu and locating the "Student Learning Login" tab or "Student Login" tab on the site's home screen.

Next, enter your Username and Password that have been provided to you from your institution via email.

After your initial login, you will be prompted to change your password before continuing.

NOTE: After changing password, you must confirm "YES" to the Site Policy Agreement to continue.

If you have issues accessing your Moodle Account, please contact helpdesk@hdmc.edu

First Look Desktop

Upon logging in, you are directed to your account's Dashboard. Your Dashboard displays your current courses and assignments.

Dashboard Overview

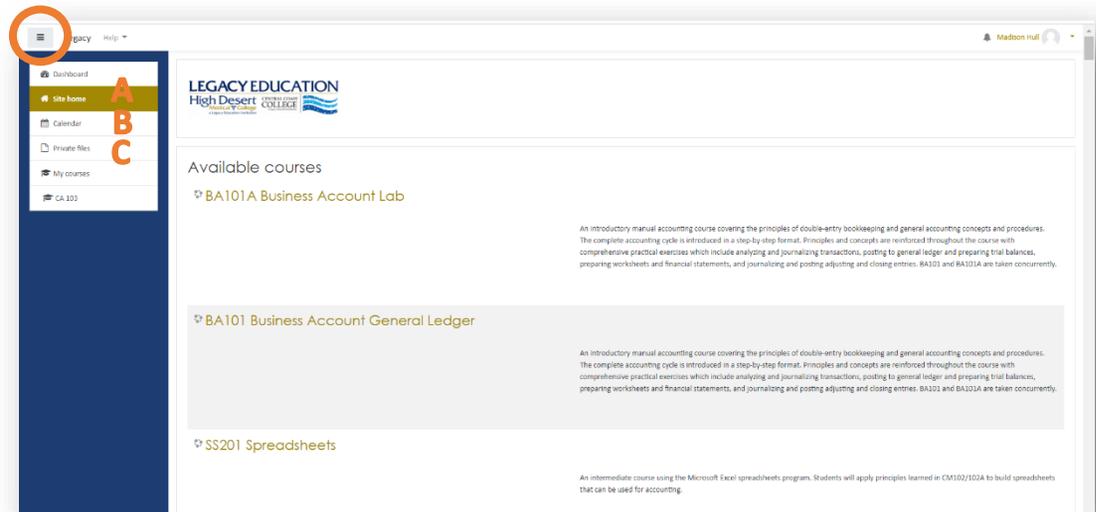

- 1. Recently Accessed Courses:** View courses you have previously accessed
- 2. Course Overview:** Current active courses
NOTE: To hide or "star" a course, press the three dots on the course overview.
- 3. Timeline:** Upcoming assignments and deadlines

Dashboard View

Side Bar Options

- a. Site Home:** Displays courses that are available to you. NOTE: you may only add courses that are assigned to you.
- b. Calendar:** A monthly view of assignments and due dates
- c. Private Files:** you may upload up to 100MB of personal school files (i.e. Notes from lectures, personal study guides, etc.)

Site Home View

Ring Central Moodle Desktop Instructions

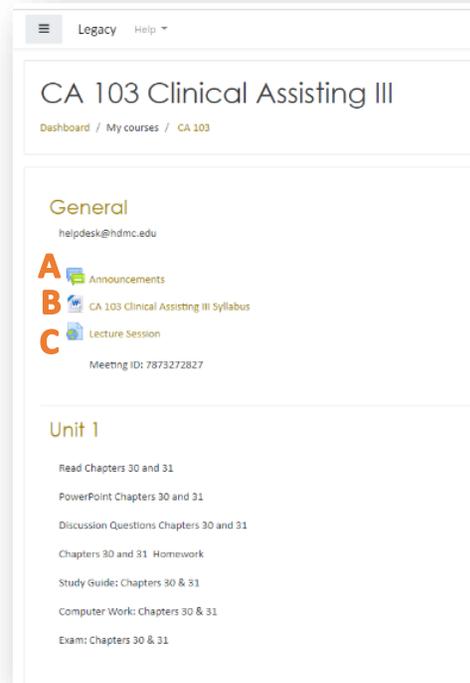

Moodle Start-Up Guide

From the Dashboard, click on the Course to enter the "Course Page."

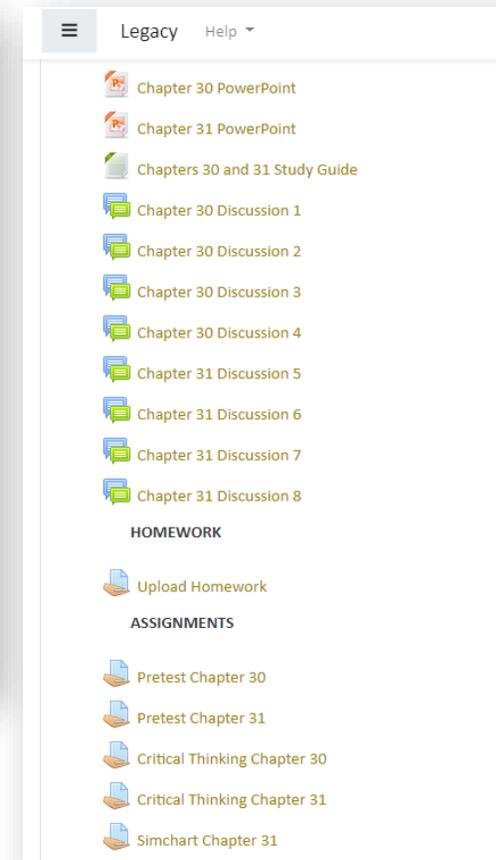

Course Page Overview

- Announcements:** Messages from instructors
- Syllabus:** Contains a file of your course syllabus
- Lecture Link (RingCentral Link):** This is the link to your RingCentral lecture that will take place every day.
NOTE: If the Lecture Session link does not work, use the RingCentral desktop or mobile app and manually insert the Meeting ID.

Each course is sectioned into Units. Each unit contains a series of PowerPoints, study guides, discussion posts, homework, and assignments to accompany the lectures.

Homework Submission

Each unit has a series of assignments and homework that requires completion. All homework and assignments can be submitted as any format including: Word documents, photos, PDFs, or scans.

How to Upload Homework/Assignments

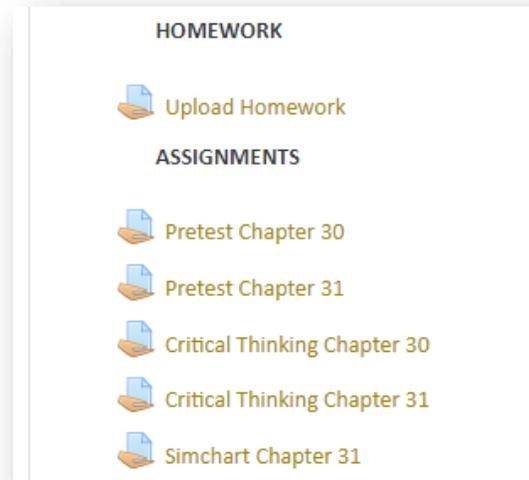

Within the Unit overview, locate and open the homework or assignment post you would like to submit.

Click the “Add Submission” button and click “Add File”

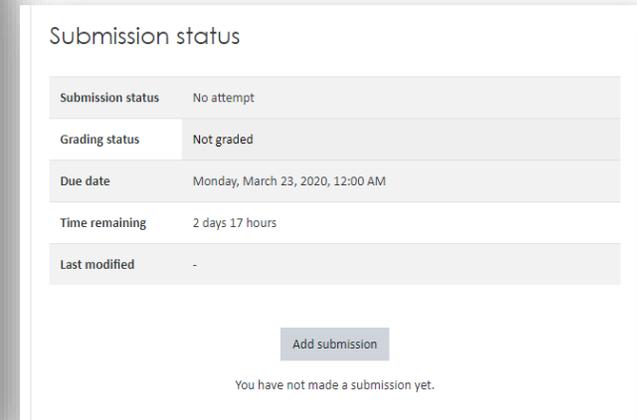

Choose the file format and select the file. Once the file has been selected, click “Save” on the top right corner to confirm your submission.

NOTE: To edit your submission, click into the assignment and locate the “Edit Submission” button.

If you have any issues navigating the app or accessing assignments, please contact helpdesk@hdmc.edu

Moodle Profile

Upon logging into your Moodle Account, it is important to upload a profile picture. This can be done by locating the drop-down menu on the top right corner of your Moodle page.

Open the dropdown menu and select "Profile."

Under the "User Details" section, click "Edit Profile."

Scroll down and locate the "User Picture" section.

Under "New Picture," click the file upload box to upload your profile picture.

Once uploaded, click the "Update Profile" button on the bottom to save.
