## If you love animals, enjoy being helpful and have a calm personality, Veterinary Assisting could be for you.

The Veterinary Assisting program at Central Coast College (CCC) is a great place to begin and you can complete our diploma program in less than a year. Central Coast College ensures you are ready to enter the job market with a program involving classroom theory, lab procedures and externship. Our Veterinary Assistant students receive CPR and First Aid training.

---

**Total Program Length:** 38 Weeks

---

**Total Classroom Hours:** 696 Hours (330 Lecture + 216 Lab) | Clinical Externship: 150 Hours

---

## Career Highlights & Opportunity

As a Veterinary Assistant, you will handle routine animal care and help scientists, veterinarians, and veterinary technologists and technicians with their daily tasks. Tasks include feeding, bathing and exercising animals, restraining animals during procedures, maintain and sterilize surgical instruments, care for animals after surgery and give medication and immunizations prescribed.

## Job Outlook

According to the Bureau of Labor Statistics\*, overall employment of Veterinary Assistants is projected to grow 19% from 2021 to 2031, much faster than the average for all occupations. Veterinary Assistants are employed in Veterinary Offices, Veterinary Hospitals, Research Facilities, Animal Shelters, Wildlife Refuges and Zoos.
