

## **STATE LICENSURE DETERMINATION**

### **Direct Notice Policy for Programs leading to Licensure or Certification**

Central Coast College determines the student's physical location during the admissions process. Applicants share their address on the Application for Admission. Their address is verified through a government issued ID that is collected as part of the admissions process.

Central Coast College provides notice as to the determination of qualification for licensure for states outside of California via our website.

Students at Central Coast College can update their personal information, including address, by completing a Student Information Form (please see your campus Registrar). Please note, students must notify the institution if they plan to relocate out of state.

If a student moves out of California, or if the determination of qualification for licensure for a state on the list changes, Central Coast College provides direct notice to all students. Direct notice is provided via email within 14 days after the day the change in determination is identified by Legacy Education.

### **State by State Disclosure for Programs leading to Licensure or Certification**

Central Coast College has determined if the program meets the educational requirements for specific state licensing or credentialing required for employment. The following information identifies the programs offered at Central Coast College and if the program curriculum meets state education requirements for licensure, does not meet state education requirements for licensure or if the institution has not determined whether the curriculum meets the state educational requirements for licensure.

#### **Business Administrative Specialist**

There is no licensure or certification for a Business Administrative Specialist.

#### **Computer Specialist: Accounting**

There is no licensure or certification for a Computer Specialist: Accounting.

#### **Medical Administrative Assistant**

There is no licensure or certification for a Medical Administrative Assistant.

#### **Veterinary Assistant**

There is no licensure or certification for a Veterinary Assistant.

#### **All other programs:**

Although licensure is not required for the following programs, a list of states along with a determination on whether Central Coast College programs meet professional licensure education requirements is provided below.
