## If you have a calm demeanor and a steady hand, the Phlebotomy Technician course at Central Coast College (CCC) is a great way to enhance your healthcare career.

CCC ensures that our students successfully advance their skills with a program involving lab, lecture and a work-based environment.

---

**Phlebotomy Technician Program:** 12 weeks (96 hours)

---

**Advanced Phlebotomy Technician Program:** 4 weeks (28 hours)

---

### Prerequisites for Program:

- High school diploma / GED
  - Provide evidence of six months' work experience in a healthcare setting
  - To enroll in the Advanced Phlebotomy course, students must meet all State requirements for advanced phlebotomy and provide evidence of the State's approval of work experience
- 

## Program Overview

The Phlebotomy Technician program at CCC is designed for employees who currently or have worked in the medical field and are seeking additional skills / certifications to add to their portfolio. The profession of phlebotomy is taught through didactic, student laboratory, and clinical experiences. The student will be trained to perform a variety of blood collection methods using proper techniques and precautions including vacuum collection devices, syringes, capillary skin puncture, butterfly needles and blood culture specimen collection on adults, children and infants. Emphasis will be placed on infection prevention, proper patient identification, proper labeling of specimens, and quality assurance. Students will be taught specimen handling, processing and accessioning.

## Accreditation & Approval

Central Coast College is accredited by the Accrediting Council for Continuing Education & Training (ACCET) - A Partnership for Quality® ACCET is listed by the U.S. Department of Education as a nationally recognized accrediting agency. Our institution is also licensed by the Bureau for Private Postsecondary Education (BPPE). Licensed to operate means the institution is in compliance with the state standards as set forth in the California Private Postsecondary Education Act of 2009, Ed. Code §94897.
