If you are compassionate, detail-oriented and love working with people, nursing may be the perfect career for you. The Vocational Nursing Program at Central Coast College (CCC) is a great place to begin and you can complete our full-time program in little over a year. Our nursing program includes a combination of classroom study and clinical practice in a hospital or other healthcare setting.

Program Overview

The Vocational Nursing Program at Central Coast College is designed to provide the student with the basic knowledge, skills and abilities to perform the duties of a Vocational Nurse in a health care environment. The program includes 10-13 weeks clock hour terms, consisting of five consecutive terms of instruction. The total program is completed over five terms. The program curriculum includes progression of learning from basic to more complex concepts, and to specialty nursing concepts.

Total Clock Hours: 1,530 hours (61 weeks full-time | 84 weeks part-time)

Career Highlights & Opportunity

As a Licensed Vocational Nurse (LVN), you will be part of a health care delivery team, providing basic nursing care, administering medications, health assessment, documenting a patient's signs and symptoms as well as carrying out therapeutic and rehabilitative measures. LVNs care for people who are sick, injured, convalescent, or disabled under the support direction of physicians and registered nurses.

According to the U.S. Bureau of Labor Statistics*, overall employment of licensed vocational nurses is projected to grow 6% from 2021 to 2031.
